# Products & Services

- **Full Truck Load (FTL) / Bulk**

TCI Freight is fully equipped to handle Bulk/FTL movement from anywhere in India and its neighboring countries. Our network of company owned offices across India makes us closest to any source of raw material or any plant or any customer in the country.

- **Less Than Truck Load (LTL) / Small**

TCI freight is your partner in moving small (up to 1 ton)/LTL (above 1 ton) quantity freight shipments across the country. Our company hubs consolidate and move your cargo speedily to its designated destination.

- **Project And Heavy Haul (PHH)**

TCI Freight's PHH vertical is expert and well-equipped in over dimensional heavy & bulk cargo and project transportation across India. With our expertise and specialized knowledge acquired over 60 years, we specialize in carrying over dimensional consignments in difficult terrains and over long distances. It is well equipped with vehicles such as Volvo and hydraulic axles like Goldhofer from Germany. TCI can move PHH cargo via all modes – road, rail and sea, ensuring safety and cost – effectiveness.

- **Foldable Large Containers (FLC)**

Foldable Large Containers (FLCs) are collapsible plastic containers used to transport variety of cargoes. They are designed to reduce the cost of relocating empty containers while providing maximum product protection and load stability. FLCs are used for automotive parts, Lubricant Oil, Scientific small equipment, Consumer electronics goods industry. FLC usage negates cost of disposable packaging.

## TCI SAARC

TCI SAARC, a business offering of TCI Group has a strong presence in the SAARC especially in BBIN countries. It provides logistics services to Nepal, Bangladesh, Sri Lanka, Bhutan, Myanmar etc. with offices at borders & capital cities.
